4.39 Diploma in Nutrition & Health Education (DNHE) School of Continuing Education (SOCE)

The Diploma Programme is a holistic package which provides opportunities to the learner to gain knowledge about nutrition and public health. It also enables the learners to develop skills in communicating nutrition and health related information to the community. The aim of the programme is to develop a knowledge base in areas of nutrition and public health, promote awareness about concepts and principles in communication and their application in nutrition and health education and develop skill in playing the role of nutrition/health educators in the Community.

Learners with basic 10+2 qualification, and an interest in community work will find the Diploma very useful. It is a professional training programme. People working with both governmental and non-governmental sectors in the role of community workers would also benefit from this Programme. The Diploma will provide an additional qualification helping them to improve their professional competence and promotion chances. The Diploma in Nutrition and Health Education is a 32 credit programme consisting of four courses.

Eligibility: 10+2 or its equivalent

Medium of Instruction: English & Hindi

Duration: Minimum 1 year and Maximum 4 years; offered in both January & July cycle of admissions

Fee Structure: Rs. 2,400/- for full programme

Programme Details:

4.39 Diploma in Nutrition & Health Education (DNHE) School of Continuing Education (SOCE)

The Diploma Programme is a holistic package which provides opportunities to the learner to gain knowledge about nutrition and public health. It also enables the learners to develop skills in communicating nutrition and health related information to the community. The aim of the programme is to develop a knowledge base in areas of nutrition and public health, promote awareness about concepts and principles in communication and their application in nutrition and health education and develop skill in playing the role of nutrition/health educators in the Community.

Learners with basic 10+2 qualification, and an interest in community work will find the Diploma very useful. It is a professional training programme. People working with both governmental and non-governmental sectors in the role of community workers would also benefit from this Programme. The Diploma will provide an additional qualification helping them to improve their professional competence and promotion chances. The Diploma in Nutrition and Health Education is a 32 credit programme consisting of four courses.

Eligibility: 10+2 or its equivalent

Medium of Instruction: English & Hindi

Duration: Minimum 1 year and Maximum 4 years; offered in both January & July cycle of admissions

Fee Structure: Rs. 2,400/- for full programme

Programme Details:

Course Code	Title of the Course	Credits
DNHE 1	Nutrition for the Community	8
DNHE 2	Public Health and Hygiene	8
DNHE 3	Nutrition and Health Education	8
DNHE 4	Project Work : Nutrition and Health Education	8
Total Credits		32

Practicals : Practical Manuals are to accompany the course material.

Project Work is a vital component of the programme. Through the Project Work, the learner will be able to experience the "feel" of working as a nutrition and health educator in community settings. Such an interaction would provide good insight into the problems and possible solutions in community work. The Project will equip the learner to plan and conduct nutrition /health education campaigns and programmes in community settings.

to Shyama, trupti, me

Dear S. U. Vora

Greetings!!!!

Thank you for showing interest in doing program. As per the talk for first year arts students recommended course are Libreoffice, Firefox, Linux, Tuxtyping. Exclusively for arts students next semester GIMP and Inscape can be offered.

For commerce students preferred courses are:

1. For first year/second year/third year common courses are Libre Office, which are like Windows and MS-Office, they will learn Basic IT skills using on Free and Open Source Software (FOSS) which is much popular and growing and a value added skill for a graduate.

2. As per the higher education office recommendation PERL, and PHPMySQL courses must be given to second and third year students of Commerce stream.

Science Students preferred courses:

3. For Science Students: Python, Biopython, Cell designer, GMOL, Gchaintpaint, Perl, Ascend, as well as Scilab, OpenFOAM, Oscad, LaTeX for PG project work. (See e-brochure)
PHPMySQL, Ruby PERL for Commerce, BSc-IT, MCA, BCA Students.

4. There are job oriented (C, C++ Java, Netbeans), multi media packages (Blender, GIMP, Inscape) and scripting languages (Python, PERL, RUBY) too. Very lucrative for the technical job market

I am glad to see your interest in conducting the training by reading the letter from Commissionerate of Higher Education office Gujarat.

Please fill the planning sheet attached in this email for your college, send one copy to higher Education and one copy to us. Also do the registration process before 30th June, details are given below.

Shri M.P.Shah Arts and Science College Surendranagar**Minutes of Meeting held on 24-05-2018**

Meeting for the purpose of offering new Certificate and Diploma Courses to students in the college was conducted on 24-05-2018 in the academic year 2018-19 that was attended by below mentioned faculty members. In this meeting below mentioned decisions were taken.

Agenda:

1. It was discussed and decided to begin SWAYAM Certificate Course in the academic year 2018-19 for the students of the college taking the requirement and academic needs of the students into consideration. Dr. Jalpa P. Harsora – faculty of the college was appointed co-ordinator of this certificate course and hold the records.

Members Present in the meeting:

1. Dr. K.D.Parikh (Head, Chemistry Department) – Member and IGNOU Coordinator
2. Dr. D. M. Vora (Head, Chemistry Department) – Member
4. Dr. Amiben L. Raval (Head, Gujarati Department) – Member
5. Dr. N.K.Sonara (Head, Economics Department) – Member
6. Dr. B.N.Valani (Head, Mathematics Department) – Member

To,

The Principal
(All the Colleges in the States of
Maharashtra, Gujarat, Goa and UTs of
Daman & Diu and Dadra & Nagar Haveli)

Subject : SWAYAM (Study Webs of Active – Learning for Young Aspiring Minds).

Dear Principal,

As you are aware, SWAYAM is a path-breaking programme initiated by the Government of India and designed to achieve the three cardinal principles of Education Policy viz., access, equity and quality. The core objective of this effort is to take the best teaching learning resources to all, including the most disadvantaged. SWAYAM seeks to bridge the digital divide for students who have hitherto remained untouched by the digital revolution and have not been able to join the mainstream of the knowledge economy, and thereby enabling a bigger and wider access to students to avail the benefit of Massive Open Online Courses (MOOCs) on SWAYAM through virtually attending the classes taught by the best faculty; access high quality reading resources; participate in discussion forums; take tests and earn academic grades. The courses hosted on SWAYAM are in 4 quadrants – (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology. It is aimed at benefitting lifelong learners, students, teachers, researchers to use multimedia on anytime, anywhere basis for acquiring knowledge and skills.

Eight National Coordinators from School to Higher Education have been identified by the government as the National Coordinators for developing non-technology PG MOOCs. UGC has already developed high quality, curriculum based e-content at PG level in four quadrants, i.e. e-text, video lectures, self assessment and self learning under the e PG Pathshala programme of NMEICT, which is being delivered on the ePG Pathshala website (www.epgp.inflibnet.c.in). Further, MOOCs are being delivered as online courses on the SWAYAM platform by various universities with the provision of credit mobility across educational institutions. UGC has also issued Regulations for Credit Framework for online learning courses through SWAYAM to allow credit transfer on the basis of these MOOCs in 2016. The SWAYAM guidelines may also be accessed at http://ugcmooc.inflibnet.ac.in/swayam/asset/download/SWAYAM_Guidelines_for_online_courses.pdf.

To increase the reach of SWAYAM, an active participation of the Universities and Colleges is a must. In order to disseminate and popularize the SWAYAM courses amongst the students in particular and the academic fraternity at large, thereby enabling a bigger and wider access to

students to avail the benefit of Massive Open Online Courses (MOOCs); you are requested to ensure that SWAYAM Mentors are appointed in your College, to act as a Single Point of Contact (SPOC) responsible for disseminating the information about SWAYAM courses in colleges to ensure that more and more students can avail the benefit of MOOCs so that the core objective to take the best teaching learning resources to all, including the most disadvantaged, can be achieved: Further, in addition to hosting the below given videos on your website, you are requested to give wide publicity of the SWAYAM in your college through the following e-contents prepared by UGC and attached herewith.

1. Radio Jingles for awareness of SWAYAM (three audio jingles)
2. Videos for awareness of SWAYAM (three videos)
