Subject: An activity report under Career Corner

Career Counselling is a process that focuses on helping one's own self, as well as work trends, so that one can take conversant decision about career and education. Career Counselling helps to manage a diverse range of problems such as low concentration levels to poor time management, trust issues with family to non-agreement between parents and children on which career to choose. Such excellent tasks have been arranged by our college in last five years

It is to inform you that on the said subject following is the activity table, took place in year 2014-15. Following data shows yearly activities like visit of industries and guidance lectures etc.
