Respected Sir,

This is to ~~you~~ bring your serious notice on a matter of eve teasing. My younger sister GAYATRIKA ZALA is studying in your collage in B.Sc. 4TH SEM. She is being harassed by one of your student named ITASHANI GHANSHYAM and he is knowing my sister since last few days. It was my duty to inform the management staff. So I request you to please take the matter seriously at an urgent manner and take a hard action, otherwise give written notice to take some legal action.

Thank You
