**Women's Career Counselling**

Shri M.P. Shah Arts and Science college, Surendranagar has organized Women's Career Counseling session under the Women's Day Celebration Week. Dr. Amiben Raval, the coordinator of the Women Cell and other members of the committee have well organized a one day program in which an expert would come for delivering a lecture on careers for the girl students. The program became successful due to the Principal of the college as well as the all ladies staff of the college and the girl participants. About 87 girl students remained present during the program.
