Women's Education Day**

Name of the Programme: Women's Education Day

Date: 01/08/2016 to 02/08/2016

Women have a very indistinctive position in our economy and are an indispensable part of the society. Education and knowledge empower women. The only way a society or nation can move forward, and aspire to economic growth and development is not just through education- but especially education among the women citizens. In this context, M. P. Shah Arts and Science College organized one programme under the heading of "Women's Education Day" under the guidance of principal on 1st and 2nd August, 2018. Principal Dr K. D. Parikh inaugurated the programme in presence of faculties of Arts and Science stream and deliver the lecture on various educational benefits like academic government policies designed for advantage of women, reservation for women candidates in government recruitment process, reservation for women candidates in admission in educational institutes, women fellowship, single girl child fellowship provided by the government were conveyed to the students. Large number of students of Arts and Science stream remained present in this programme.
