A Report on Exhibition and De-Addiction Awareness Program on 151st Birth Anniversary of Swami Vivekananda

In the honour of 151st Birth Anniversary of Swami Vivekananda- the visionary leader of India- was celebrated in the form of Exhibition and De-Addiction Awareness on 12-01-2015.Shri M.P.Shah Arts and Science College Surendranagarencompasses Vivekananda Kendra in the college that is operated by Sanskrit Department. The coordinator of this Kendra is Dr. N.S. Shukla – Head of Sanskrit Department. Under her leadership, Vivekananda Birth Anniversary is celebrated every year in this college. On this day, the students were shown exhibition of Swami Vivekananda’s collection of books and rare photographs. Almost 500 students of Arts and Science stream took part. The preparation of this exhibition were done by the students of Sanskrit Department under the leadership and guidance of Dr. N.S. Shukla. The students volunteered the whole program and made exhibition for other students of the college. The presence of the Principal and faculty members boosted the spirits of the students.

After the exhibition being over, Smoking and Alcohol De-Addiction Awareness Program was conducted in the afternoon. Members from GayatriParivar were invited to have an interactive lecture with the students. They informed the students about the adverse and dangerous effects of smoking and alcohol on the health and lifestyle of students and made them pledge to not get affected to any such addiction themselves and spread a word of caution and awareness among the community. The students were encouraged by the convincing talk of these members. It was a successful program. Dr.N.S.Shukla – the coordinator of the program offered vote of thanks to the team from GayatriParivar in the end.
