

## **M.P. Shah Arts & Science College, Surendranagar**

**A Lecture on Traffic Awareness Date: 03-02-2017**

Following the celebration of Traffic Awareness Week, a lecture was organized for the students of M.P.Shah Arts and Science College on the implication of Traffic Principles and Ethics and its importance in people safety. The officials from Traffic Police Department were invited to conduct an interactive session with the students. They informed about the rules and regulations of the traffic and their importance in the security of human lives. They also informed the students about the punishment rules involved with the breaking of it. The students were enlightened attending this lecture. The principal's presence boosted the spirit of the students who addressed the students in the end and thanked the officials for their valuable words.
