This book is written for the entry level chemistry students. It is most important that students understand the basics behind every experiment they perform to excel in future. This book mainly focus on Inorganic qualitative analysis but it also contains ample information of safety and glasswares used in a laboratory. Safety is a major concern when we are dealing with a chemical. It is necessary to have some common information and knowledge while dealing with chemicals. This book explains the basic principles and practical methods in possible simple way to identify single inorganic compound using Inorganic Qualitative Analysis method. Inorganic Chemistry deals with the chemistry of metals and especially transition metals. This book contains brief detail of the theory behind those important tests which is involved in these experiments. It also contains sequential method to identify unknown compounds in laboratory.

Chirag Fultariya

Chemistry Practical Series: Inorganic Chemistry - I

Dr. Chirag Fultariya is working as Assistant Professor (GES Class-II, Gazetted) in Shree M. P. Shah Arts & Science College at Surendranagar. He has worked with multinational pharmaceutical companies like Zydus pharmaceuticals & Unique Pharmaceuticals Ltd. as ADL scientist. He has analytical background and excellent command over laboratory analysis.

To Whom it may concern,

We are pleased to announce publication of the book entitled "**Chemistry Practical Series: Inorganic Chemistry - I**", authored by '**Chirag Fultariya**'.

The book was released by **LAP LAMBERT** Academic Publishing in **2017** and bears ISBN **978-3-330-05303-8**.

Being an imprint of OmniScriptum GmbH & Co. KG, LAP LAMBERT Academic Publishing provides high-quality publications, with all advantages of an international company in marketing, production and distribution. Books of LAP are therefore available on the worldwide market via more than 80,000 bookstores and 3,000 online stores.

OmniScriptum is an associate member of the American Booksellers Association, the Booksellers Association of the UK, a member of the Börsenverein des Deutschen Buchhandels, and also a member of the German PEN Center.

Please do not hesitate to contact us, should you need any further information.

Sincerely,

Christine Cateaux
