

CCDC Report

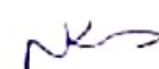

Saurashtra University has newly introduced a program, "Career Counseling and Development Centre" in 2010 to increase competitive efficiency among students and their awareness for it. The centre has separate building at the University where regular training classes for the exam have been conducted by the experts.

Saurashtra University, Rajkot has been organized "SUSET" exam every year in the month of September on a very specific date to its concerned colleges for which Rs. 20 has been collected from the students as a token and gives receipt to them for it. The receipt number itself is the seat number of the student. Out of Rs.20, Rs.10 is submitted to the university and the rest of Rs.10 is credited to the college for its exam program. Out of the student's fee, the CCDC coordinator and professor has to organize the "SUSET" exam at college level.

The program of the SUSET Exam is that students should be well trained to face government as well as grant-in-aid recruitments opportunities with confidence. A lot of students of the Saurashtra University colleges have been benefitted by this program and will get advantages in future too. The students who have secured more than 50 marks in SUSET exam would get an opportunity to attend SUSET class free of cost at Rajkot and get certificates. The students who secured first to ten numbers in the exam would be given certificates and a set of books for the competitive exam worthy of Rs.1500/-

Around 408 students have been enthusiastically participated in the SUSET Exam that organized by Shri M.P. Shah Arts and Science College on 15/09/2016 during the year of 2016/17.
