## CERTIFICATE OF INDUSTRIAL PROJECT

This is to certify that the following listed students of B.Sc. Chemistry Semester - 06 from Shree M. P. Shah Arts and Science College, Surendranagar have undergone project training at our industry plant from 11/02/2019 to 17/02/2019. Information regarding Research & Development, Chemical Process, Quality Control, Manufacturing and HR Department is given to all the students. Their work was satisfactory during this period.

## CERTIFICATE OF INDUSTRIAL PROJECT

This is to certify that the following listed students of B.Sc. Chemistry Semester - 06 from Shree M. P. Shah Arts and Science College, Surendranagar have undergone project training at our industry plant from 11/02/2019 to 17/02/2019. Information regarding Research & Development, Chemical Process, Quality Control, Manufacturing and HR Department is given to all the students. Their work was satisfactory during this period.

## CERTIFICATE OF INDUSTRIAL PROJECT

This is to certify that the following listed students of B.Sc. Chemistry Semester - 06 from Shree M. P. Shah Arts and Science College, Surendranagar have undergone project training at our industry plant from 11/02/2019 to 17/02/2019. Information regarding Research & Development, Chemical Process, Quality Control, Manufacturing and HR Department is given to all the students. Their work was satisfactory during this period.

## CERTIFICATE OF INDUSTRIAL PROJECT

This is to certify that the following listed students of B.Sc. Chemistry Semester - 06 from Shree M. P. Shah Arts and Science College, Surendranagar have undergone project training at our industry plant from 11/02/2019 to 17/02/2019. Information regarding Research & Development, Chemical Process, Quality Control, Manufacturing and HR Department is given to all the students. Their work was satisfactory during this period.
